

TREE SPECIES
NATIVE TO INDIANA

with common and scientific names

Common name (s)	Genus	Species
Ash		
Black	<i>Fraxinus</i>	nigra
Blue	<i>Fraxinus</i>	quadrangulata
Green (Red)	<i>Fraxinus</i>	pennsylvanica
Pumpkin	<i>Fraxinus</i>	profunda
White	<i>Fraxinus</i>	americana
Aspen		
Big-tooth	<i>Populus</i>	grandidentata
Quaking	<i>Populus</i>	tremuloides
Basswood, American	<i>Tilia</i>	americana
Beech, American	<i>Fagus</i>	grandifolia
Birch		
Gray	<i>Betula</i>	populifolia
Paper	<i>Betula</i>	papyrifera
River	<i>Betula</i>	nigra
Yellow	<i>Betula</i>	alleghaniensis
Black gum (sour, tupelo)	<i>Nyssa</i>	sylvatica
Buckeye		
Ohio	<i>Aesculus</i>	glabra
Yellow	<i>Aesculus</i>	aiton
Butternut	<i>Juglans</i>	cinerea
Catalpa, northern	<i>Catalpa</i>	speciosa
Cedar		
Eastern red	<i>Juniperus</i>	virginiana
Northern white	<i>Thuja</i>	occidentalis
Cherry		
Black	<i>Prunus</i>	serotina
Chestnut, American	<i>Castanea</i>	dentata
Coffeetree, Kentucky	<i>Gymnocladus</i>	dioica
Cottonwood		
Eastern	<i>Populus</i>	deltoides
Swamp	<i>Populus</i>	heterophylla
Crabapple		
Sweet, American	<i>Pyrus</i>	coronaria
Prairie	<i>Pyrus</i>	ioensis
Cypress, bald	<i>Taxodium</i>	distichum
Dogwood, flowering	<i>Cornus</i>	florida
Elm		
American (White)	<i>Ulmus</i>	americana
Rock	<i>Ulmus</i>	thomasii
Slippery (Red)	<i>Ulmus</i>	rubra
Winged	<i>Ulmus</i>	alata
Hackberry		
Southern hackberry (Sugar)	<i>Celtis</i>	laevigata
Northern hackberry	<i>Celtis</i>	occidentalis
Hawthorn		

TREE SPECIES
NATIVE TO INDIANA

with common and scientific names

Common name (s)	Genus	Species
Cockspur-thorn	<i>Crataegus</i>	crus-galli
Dotted	<i>Crataegus</i>	punctata
Downy	<i>Crataegus</i>	mollis
Green	<i>Crataegus</i>	viridis
Hemlock, eastern	<i>Tsuga</i>	canadensis
Hickory		
Bitternut	<i>Carya</i>	cordiformis
Mockernut	<i>Carya</i>	tomentosa
Pale (Sand)	<i>Carya</i>	pallida
Pignut	<i>Carya</i>	glabra
Red	<i>Carya</i>	ovalis
Shagbark	<i>Carya</i>	ovata
Shellbark	<i>Carya</i>	laciniosa
Honeylocust	<i>Gleditsia</i>	triacanthos
Honeylocust, Thornless	<i>Gleditsia</i>	triacanthos, var. inermis
Hop-hornbeam; ironwood	<i>Ostrya</i>	virginiana
Hornbeam, Blue beech, Musclewood	<i>Carpinus</i>	caroliniana
Locust, black	<i>Robinia</i>	pseudoacacia
Magnolia		
Cucumber-tree	<i>Magnolia</i>	acuminata
Umbrella-tree	<i>Magnolia</i>	tripetala
Maple		
Black	<i>Acer</i>	nigrum
Boxelder, Ash -leaved maple	<i>Acer</i>	negundo
Red	<i>Acer</i>	rubrum
Silver	<i>Acer</i>	saccharinum
Sugar	<i>Acer</i>	saccharum
Mulberry, red	<i>Morus</i>	rubra
Oak		
Black	<i>Quercus</i>	velutina
Blackjack	<i>Quercus</i>	marilandica
Bur	<i>Quercus</i>	macrocarpa
Cherrybark	<i>Quercus</i>	pagoda
Chestnut	<i>Quercus</i>	prinus
Chinkapin	<i>Quercus</i>	muehlenbergii
Deam	<i>Quercus</i>	X deamii
Northern pin (Jack)	<i>Quercus</i>	ellipsoidalis
Northern red	<i>Quercus</i>	rubra
Overcup	<i>Quercus</i>	lyrata
Pin	<i>Quercus</i>	palustris
Post	<i>Quercus</i>	stellata
Scarlet	<i>Quercus</i>	coccinea
Shingle	<i>Quercus</i>	imbricaria
Shumard	<i>Quercus</i>	shumardii
Southern red	<i>Quercus</i>	falcata
Swamp chestnut	<i>Quercus</i>	michauxii

TREE SPECIES
NATIVE TO INDIANA

with common and scientific names

Common name (s)	Genus	Species
Swamp white	<i>Quercus</i>	bicolor
White	<i>Quercus</i>	alba
Pawpaw	<i>Asimina</i>	triloba
Pecan	<i>Carya</i>	illinoensis
Persimmon	<i>Diospyros</i>	virginiana
Plum		
American wild	<i>Prunus</i>	americana
Hortulan (Wild goose)	<i>Prunus</i>	hortulana
Canada-plum	<i>Prunus</i>	nigra
Pin-cherry	<i>Prunus</i>	pennsylvanica
Pine		
Eastern white	<i>Pinus</i>	strobus
Jack	<i>Pinus</i>	banksiana
Virginia	<i>Pinus</i>	virginiana
Redbud, eastern	<i>Cercis</i>	canadensis
Sassafras	<i>Sassafras</i>	albidum
Serviceberry		
Downy	<i>Amelanchier</i>	arborea
Smooth	<i>Amelanchier</i>	laevis
Sourwood	<i>Oxydendrum</i>	arboreum
Sweet gum	<i>Liquidambar</i>	styraciflua
Sycamore, American	<i>Platanus</i>	occidentalis
Tamarack	<i>Larix</i>	laricina
Tulip Tree	<i>Liriodendron</i>	tulipifera
Walnut, Black	<i>Juglans</i>	nigra
Water Locust	<i>Gleditsia</i>	aquatica
Willow		
Black	<i>Salix</i>	nigra
Peachleaf	<i>Salix</i>	amygdaloides
Yellowwood	<i>Cladrastis</i>	lutea
